Dan- I received this email from payroll when it was brought to my attention that my checks were not going to the scholarship fund I established at the foundation. Please advise.

Ben,
We don't show that you have been issued a paycheck since 4/27/07. You may want to check with the law school to see why no paperwork was submitted for you.

Ms. Davis

It has just been brought to my attention that the UT Foundation has not been making payroll deductions from my paycheck. I am concerned because I have yet to see any of my paychecks or stubs. Are they in your office or were they sent to the law school? Please advise.

It depends on how he is classified, if he is a part-time instructor he is not eligible for payroll deduction and if he is in a classification that is eligible for payroll deduction, there is no way we can set up a deduction that will take all of his check, it will have to be a flat dollar amount deduction

Debbie,

Mr. Konop will be teaching a few classes in the fall and the spring semester. He should be receiving a total of \$2000. He would like all of this money to come to the Foundation to be put in a scholarship here. I am not sure of when he will be paid this money. Is there a way that you can keep track on your side to send the money to us? Is there anything I can do to make this go smoothly?

Thanks!

Sarah
